

Title of Publication, Journal Published, Date published.

I - As Editor or Publication Coordinator

1. *Blueprint 2.0 Harnessing Geospatial Information and Innovation for people, places and planet. Second Edition 2025-2030*, UN Geospatial Network, UN-GGIM, August 2025, 7/08/2025 ([available here](#))
2. *One Map of Humanity. For People, Places and Planet. One UN Geospatial Situation Room. Concept 3.0 and Implementation Plan*, UN Geospatial Network, UN-GGIM, August 2024, 5/08/2024 ([available here](#))
3. *Early Warning and Data Analytics. Strategy for Humanity 2030 and beyond*. United Nations Environment Programme, UNEP, June 2024 ([available here](#))
4. *Early Warning and Data Analytics. Strategy, Policy and Action for People, Places and Planet*. United Nations Environment Programme, UNEP, February 2024 ([available here](#))
5. *One UN Geospatial Situation Room. People, Places and Planet*, UN Geospatial Network, UN-GGIM, August 2023, 5/08/2023 ([available here](#))
6. McCardle, K. People, places, and the planet. *Nature Computational Science* 3, 467–469 (2023). <https://doi.org/10.1038/s43588-023-00455-w>
7. 30 Foresight Briefs. Special Edition 2017-2022. Early Warning, Emerging issues, and Futures. United Nations Environment Programme, January 2023. (Available at <https://data.unep.org/foresight>)
8. National Academies of Sciences, Engineering, and Medicine. 2022. *Data-Informed Societies Achieving Sustainability: Tasks for the Global Scientific, Engineering, and Medical Communities: Proceedings of a Workshop in Brief*. Washington, DC: The National Academies Press. <https://doi.org/10.17226/26513>
9. Foresight Brief Series – Early Warning, Emerging issues and Futures, 30 Publications, June 2017 – October 2022. Foresight Briefs highlight a hotspot of environmental change, feature an emerging science topic, and provide a systematic way of examining possible alternative futures and outcomes of emerging environmental issues that can support strategy and policy and also inform decision-making today. (Available at <https://data.unep.org/foresight/briefs>)
10. *Big Data Services. Data and Analytics, Early warning and Science foresight for Action*. United Nations Environment Programme, UNEP, 2022 ([available here](#))
11. *One UN Geospatial Situation Room. People, Places and Planet*, UN Geospatial Network, UN-GGIM, August 2022, 5/08/2022. Available at: https://www.un.org/geospatialnetwork/sites/www.un.org.geospatialnetwork/files/2022_un_geospatial_network_one_geospatial_situation_room.pdf.
12. *Geospatial for Humanity: Prevention, Response and Recovery of the World from the Pandemic COVID-19*, UN Geospatial Network, UN-GGIM, August 2021, 27/08/2021. Available at: https://www.un.org/geospatialnetwork/sites/www.un.org.geospatialnetwork/files/2021_ungeospatialnetwork_geospatialforhumanity.pdf.
13. *Geospatial in Action: Data and Insights for the Sustainable Development Goals*, UN Geospatial Network, UN-GGIM, August 2021, 27/08/2021. Available at: https://www.un.org/geospatialnetwork/sites/www.un.org.geospatialnetwork/files/2021_ungeospatialnetwork_geospatialinaction.pdf.
14. *The Blueprint: Geospatial for a Better World. Transforming the Lives of People, Places and Planet*, UN Geospatial Network, UN-GGIM, August 2019, 25/08/2020. Available at https://ggim.un.org/meetings/GGIM-committee/10th-Session/documents/2020_UN-Geospatial-Network-Blueprint.pdf.
15. *Blueprint Geospatial Landscape of the United Nations system*, UN Geospatial Network, UN-GGIM, August 2019, 25/08/2020. Available at http://ggim.un.org/meetings/GGIM-committee/10th-Session/documents/2020_UN-Geospatial-Network-Blueprint-Landscape.pdf.
16. *SDG Policy Briefs Series, 6 Publications, July 2017 – October 2019*
The Sustainable Development Goals Policy Briefs highlight a hotspot of environmental change. The evidence provided builds on the scientific data and information hosted on the [World Environment Situation Room](#) and is complemented by stories from the regions. Available at <https://www.unep.org/explore-topics/sustainable-development-goals/what-we-do/monitoring-progress/policy-briefs>.

II - As Author of Scientific Publications, Books, Chapters in Books and Journal Articles

1. Science and Time. Policy and Strategy for International Partnerships, Scholar's Press, 28/05/2015
2. O Ciberespaço: Desafios à Segurança e à Estratégia, Segurança Internacional, ATENA, National Defense Institute (IDN), 01/06/2013
3. Connecting Civilizations. On the History of Technology and Revolutions in Science and Innovation., MATRIA XXI Journal, 25/05/2012
4. Uma Estratégia Nacional de Cibersegurança., Segurança e Defesa, 01/03/2011
5. Portuguese eGovernment Strategy (2005 – 2014), CEGER, 01/07/2011
6. Science Networks on the Internet. Information Technology, Research Collaboration and Digital Knowledge Bases, LAP - Lambert Academic, 15/06/2010
7. Patterns of Information Search and Access on the World Wide Web: Democratizing Expertise or Creating, Journal of Computer Mediated Communication, 01/07/2008.
8. Ciência Outlook 2004. Rumo à Sociedade do Conhecimento., Cienciametrics, 25/05/2005.
9. On the Web Structure and Digital Knowledge Bases. On-line and Off-line Connections in Science, Information science, 15/07/2005
10. Digital Information Network Technologies, Organizational Performance and Productivity, Stanford (SIEPR), 02/12/2005
11. Are Newsgroups extending Invisible Colleges into the Digital Infrastructure of Science? Economics of Innovation and New Technology (EINT), 01/02/2003

III - As Author of Scientific Publications, Books, Chapters in Books and Journal Articles (Working Publications)

1. One Humanity. Geopolitics and the New World Order, Centro de Investigação Professor Doutor Joaquim Veríssimo Serrão, 2026, CIJVS (March 2026)
2. One Humanity. Time for the Other Side of the World, 2025, Edição Clube de Autores, (December 2025)
3. Science and Space. The creation of Regional Knowledge and Innovation Communities, Centro de Investigação Professor Doutor Joaquim Veríssimo Serrão, 2026, CIJVS, (In Press)
